

Press & Pull latches hold fast even under duress, yet open effortlessly.

Permanently attached Vortex™ valve automatically adjusts air pressure without letting in water.

Add the security of your own padlock to unbreakable, molded-in hasps.

The unique hinges with feet hold fast under impact and create a flat surface for upright stability.

Double-layered, soft-grip handles combine strength with long lasting comfort.

A lifetime guarantee ensures your Storm Case will outlast every situation.

Molded-in stacking ribs provide no-slip stability for multiple case stacking during storage or transport.

Storm Cases are designed to transport and protect your valuables even under the most adverse conditions.
