NEW FOR 2007

TAURUS RISES TO THE CHALLENGE

At Taurus, we didn't become the world's fastest growing handgun manufacturer by sitting on our hands. We thrive on innovation. That's why this catalog is packed with designs and features that you won't find anywhere else. Features like our failure-free SA/DA trigger system. Or expanded capacity cylinders. Or lighter materials. Or exclusive Ribber Grips®. We've also decided to renew our contract with the NRA, ensuring every Taurus firearm that is purchased offers a FREE one-year membership. Simply put, Taurus firearms give you more confidence, no matter what you do, no matter where you do it.

New for 2007, the Taurus 24/7 OSS™ is the first next-generation pistol to ever be released to civilian and law enforcement markets ahead of an upcoming military pistol trial—in this case for the United States Special Operations Command (USSOCOM). Its performance is due to Taurus' innovative technology including the Taurus Single Action/Double Action trigger system that gives the 24/7 OSS a failure-free reliability no other pistol on the planet can match.

The Association of Graduates of the United States Military Academy is thankful for the generous support given by Taurus International Manufacturing, Inc. to the Army Cadet Pistol Team – 2006 National Collegiate Champions.

24/7 OSS

Created to handle the world's most hostile environments, the new Taurus 24/7 OSS puts a lifetime of failure-free reliability in your hands.

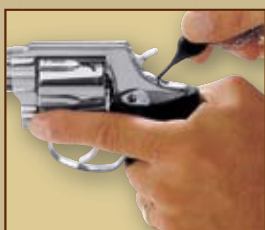

TAURUS SECURITY SYSTEM®

The patented Taurus Security System is an integral key-lock system that is inconspicuous and can be either used or not used depending on the owner's discretion to prevent unauthorized use of a Taurus firearm. The Taurus Security System is included at no extra charge and two keys come with each new gun.

*Taurus Security System
on Pistols*

*Taurus Security System
on Revolvers*

*Taurus Security
System on 24/7 Pro and
Millennium Pro Pistols*

SECURITY ENGAGEMENT (LOCKED): Insert the key into the lock mechanism and turn clockwise until a click is felt or heard and the "lock button" protrudes. The firearm is now inoperable.

SECURITY DISENGAGEMENT (READY-TO-FIRE): To place the handgun in a firing condition, insert the key into the mechanism and turn it counter-clockwise. "Button" recedes when unlocked. The firearm can now be fired.

TAURUS QUALITY HAS BEEN RECOGNIZED AGAIN.

2005 – Shooting Industry Manufacturer of the Year

2005 – National Association of Sporting Goods Wholesalers Manufacturer of the Year

2005 – SHOT Business Manufacturer of the Year

UNLIMITED LIFETIME REPAIR POLICY™

Simply stated, we will repair any Taurus firearm imported or manufactured by Taurus International FREE OF CHARGE should it ever require repair, for the lifetime of the gun. Even if you purchase a pre-owned Taurus firearm, Taurus' lifetime repair policy follows it, remaining in effect. The only exclusions are damages caused by customer abuse, modifications and accessories, rust corrosion, sights, or (after one year) cosmetic defects.

+P RATED FOR DUTY USE®

All Taurus handguns are engineered to accept a steady diet of factory-new Plus-P (+P) ammunition built to SAAMI specifications. This includes the Ultra-Lite hammer forged aluminum alloys, Titanium, blue steel and stainless steel models. Rest assured, your Taurus will be ready, especially when you're counting on it.

SEMI-AUTOMATIC PISTOLS

Taurus Semi-Auto pistols continue to shake up the industry. Offering next-generation firearms like the ground-breaking 24/7 PRO™, the fully-customized Taurus 1911, or the compact Millennium PRO™, it's no surprise Taurus has become the fastest growing handgun manufacturer in the world. New for 2007, Taurus introduces the 24/7 OSS™. An extreme-duty handgun created for Special Operations professionals, it's the most advanced pistol to ever be released to the civilian market.

TAURUS 1911

OUR STANDARD 1911 IS ANYTHING BUT.

Destined to become the standard that all 1911 pistols are compared against, the Taurus 1911 offers you the most accurate and feature-laden model on the market today. Starting with our own hammer-forged—not cast—ordnance grade steel frames, slides and barrels, we manufacture each and every part to tolerance levels that surpass even today's industry standards. Our skilled pistol smiths hand-fit and assemble each gun with the 19 standard features seen below, using quality parts that are built 100% in our state-of-the-art factory. Then they mark the slide, barrel and frame with matching serial numbers. Available in the powerful .45 ACP, this aggressive, rock-solid firearm is ready to go right out of the box. The Taurus 1911 is an unbeatable gun that is also an unbeatable value.

FEATURES

Heinie "Straight Eight" sight system

The Taurus 1911 has matching serial numbers on the frame, slide and barrel to assure that every gun is hand-assembled, hand-mated and hand-fitted for a flawless fit, finish, functionality and accuracy.

TAURUS 24/7 OSS™

PUTTING TERRORISTS, INSURGENTS AND THE COMPETITION ON NOTICE.

Developed through direct feedback from Special Forces teams stationed around the world, the new Taurus 24/7 OSS™ is one of the most advanced firearms in the history of pistol making. Built to meet and/or exceed all requirements laid down by USSOCOM (United States Special Operations Command) for its new sidearm, this extreme duty pistol offers unprecedented reliability, durability, accuracy and ergonomic functionality. Capable of firing thousands of failure-free rounds in virtually any environment, whether it be jungle humidity and mud, desert heat and sand, or arctic cold and ice, we packed the 24/7 OSS with features that real-world professionals were asking for. Bad guys beware—here comes the 24/7 OSS in .45 ACP, .40 cal. and 9mm.

MODEL DS

24/7-OSS-DS45
.45 ACP
12+1 ROUNDS

- Novak Sights
- Exclusive Single Action/Double Action trigger technology
- Ambidextrous decock and safety provide ergonomic functionality for right or left hand
- Picatinny rail system accommodates any slide-on light or laser sight

24/7-OSS-DS40
.40 CAL.
15+1 ROUNDS

FEATURES

A 5¼" Match Grade barrel forged from heavy ordnance grade steel and long-sight-radius 5" slide providing better accuracy and quicker follow-up shots

The revolutionary Taurus Single Action/Double Action trigger system fires normally in a smooth, single action mode. However, if the primer fails to ignite, it gives you a life-saving second try at firing a faulty cartridge

Ambidextrous Indexed Memory Pads™ along the frame provide an automatic finger locator for safe firearm handling as well as an aid for quick and accurate aim when using a traditional two-handed grip

Picatinny rail system accommodates any slide-on light or laser sight

An aggressive checkered grip allows for a glue-like purchase on the gun, even with sweaty hands

TAURUS 24/7 PRO™

UNSURPASSED PERFORMANCE. 24/7.

The result of over four years of research and engineering, the 24/7 PRO™ offers a combination of features and enhancements unparalleled in modern handguns. The exclusive Taurus Single Action/Double Action trigger system delivers a level of speed and reliability no other handgun can match. Accuracy prevails thanks to a hand-mated frame, slide and barrel, all with matching serial numbers to assure a flawless fit, finish and functionality previously unheard of from an “out of the box” firearm.

The 24/7 PRO™ also leads the industry in ergonomics, featuring Taurus’ exclusive Ribber Grip® which provides a comfortable, customized feel for every user and every hand size (not available on .45 ACP). In addition, the 24/7 PRO has already set numerous world records in speed shooting competitions, winning high praise from top military, law enforcement and security professionals from around the world. Available in 9mm, .40 caliber and .45 ACP and three distinct barrel lengths, the 24/7 PRO is the duty-use sidearm of the future—and the next pistol that should be at your side.

24/7-40SSP-15
.40 CAL.
15+1 ROUNDS

- Available in Blue or Stainless Steel
- Picatinny rail system accommodates any slide-on light or laser sight
- All models come with two blue steel magazines

24/7-40SSCP-10
.40 CAL.
10+1 ROUNDS

FEATURES

The 24/7 PRO features the genuine Heinie 2-dot “Straight Eight” sight system standard on all models for quick and accurate aiming points.

Ambidextrous Indexed Memory Pads™ along the frame provide an automatic finger locator for safe firearm handling as well as an aid for quick and accurate aim when using a traditional two-handed grip.

The revolutionary Single Action/Double Action trigger system fires normally from a smooth single action mode. However, if the primer fails to ignite, it gives you a life-saving second try at firing a faulty cartridge—a feature none of our competitors offer.

NRA 2005 PISTOL OF THE YEAR.

MILLENNIUM PRO™ SERIES

COMPACT & SUB-COMPACT

We can think of a million reasons to add this highly regarded pistol to your belt, but for time's sake we'll just highlight our favorites. Like remarkable versatility. Non-stop performance. And your choice of models including: .32 and .380 ACP, 9mm (12+1), .40 caliber (10+1), or .45 ACP (10+1 or 6+1 in a slimmer grip, single stack magazine sub-compact .45 at under 21 ounces). The Millennium PRO also features the same revolutionary Single Action/Double Action trigger and matching serial numbers on the frame, slide and barrel as the 24/7 PRO, Heinie "Straight Eight™" sights, an ergonomic grip design, enhanced finger indexing Ambidextrous Index Memory Pads™ and posi-traction slide serrations. Light, powerful and technically advanced, the Millennium PRO is the choice for concealment and back-up carry.

LARGE FRAME PISTOLS

MODELS 92 & 99

In 1980, we purchased the Beretta factory in Sao Paulo, Brazil “lock, stock and barrel” and immediately sought to improve on the Beretta design, resulting in the popular and acclaimed Taurus 92 and 99 9mm pistols. Always looking to raise the bar, we’ve taken this year’s models a step further than they’ve ever been. Most notable is Taurus’ specially designed drop hammer forged ordnance grade alloy frame that won’t crack or allow the slide to come off. Other innovations include a three-position frame-mounted ambidextrous safety, which is more secure than a slide mounted safety, and allows for a classic SA “cocked-and-locked” mode, as well as functioning as a DA decocking lever. Available in fixed sight model 92 and in adjustable sight model 99, you’ll be able to face any situation without compromise.

MODEL 92

92B-17
9mm
17+1 ROUNDS

- Available in Blue or Stainless Steel
- Loaded chamber indicator for added safety
- Two blue steel high capacity magazines come standard

MODEL 99

FEATURES

Taurus pistols feature a loaded chamber indicator for added safety

Frame mounted ambidextrous safety/decocker

Integral accessory mount rail for lights or lasers

LARGE FRAME PISTOLS

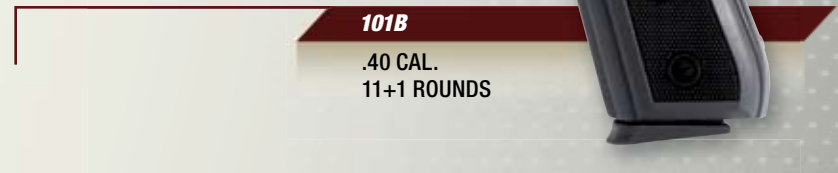

MODELS 100 & 101

Based on the time-tested 92, the 100 and 101 offer .40 caliber stopping power in Taurus' exclusive forged-alloy frame, and an ambidextrous three-position safety that allows "cocked-and-locked" single action carry or the convenience of decocked double action. Available in fixed sight model 100 and in adjustable sight model 101, it's an unprecedented mix of dead-on firepower and custom features that the other guys just can't touch.

MODEL 100

Taurus Security System®

MEDIUM FRAME PISTOLS

MODELS 38S & 945

Aficionados of the .45 ACP and .38 Super can get their brand of firepower in a medium frame package with the Taurus 945 and 38S pistols. Sized for carry, these models weigh-in at just 29.5 ounces—yet are full featured and built for a lifetime of tough use. These medium frame guns offer the same features as Taurus' popular large frame 92 series pistols, including drop hammer forged steel slide and forged ordnance grade alloy frame with three-position frame-mounted ambidextrous safety that allows for a classic SA “cocked-and-locked” mode, as well as functioning as a DA decocking lever.

MEDIUM FRAME PISTOLS

MODELS 909, 911 & 940

Take the key features of our Taurus 92 series pistol and wrap them into a package that is 20% smaller and 20% lighter and you have the essence of what these medium frame pistols are all about. Engineered with Taurus' drop hammer forged steel slide and forged ordnance grade alloy frame with three-position frame-mounted ambidextrous safety that allows for a classic SA "cocked-and-locked" mode, as well as functioning as a DA decocking lever. Available in a variety of models in the popular .40 caliber or 9mm, Taurus' models 909, 911 and 940 offer big firepower in a size that's just right for a variety of carry needs.

REVOLVERS

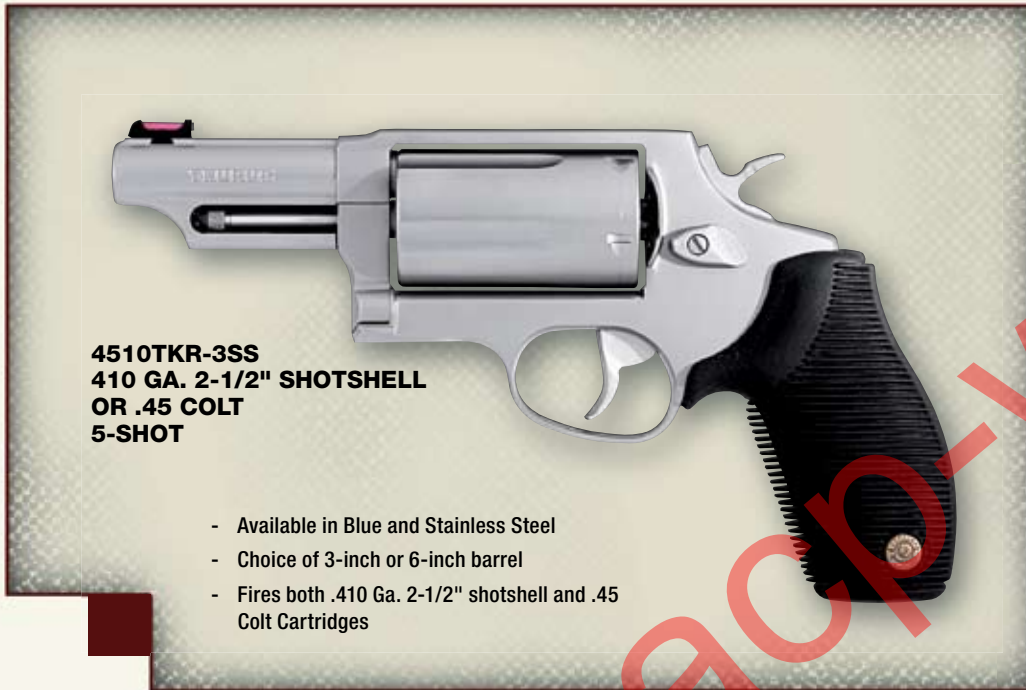

Taurus provides the most complete line of revolvers in the industry. Never satisfied, we keep pushing the envelope incorporating innovations like the yoke detent, full-length ejector rod and the Taurus Security System®. Recently, we've taken our revolvers a step further, introducing Taurus Ribber Grip®, expanded capacity cylinders and the amazing new "Taurus Judge"™ 45/410. Lightweight, full-powered and totally reliable, Taurus Revolvers have it all.

FORTY-FIVE/410 TAURUS JUDGE™

MODELS 4510TK & 4510 TRACKER

The "Taurus Judge™" is so named because of the number of judges who carry it into the courtroom for their protection. Capable of chambering both .410 2-1/2" shotshell and .45 Colt Ammunition, this amazing combo gun is ideal for short distances—where most altercations occur, or longer distances with the .45 Colt ammo. We have finely tuned the rifling to spread the shot pattern at close quarters or to guide the .45 cal. bullet to the target. Fully customized with fixed rear sights, fiber optic front sights and Taurus Ribber Grips®, the "Taurus Judge" is one decision-maker that lays down the law.

MODEL 4510TK

Fires .410 2-1/2" shotshell or .45 Colt

Fiber optic front sight

Ribber Grip®

Yoke Detent

COMPACT FRAME REVOLVERS

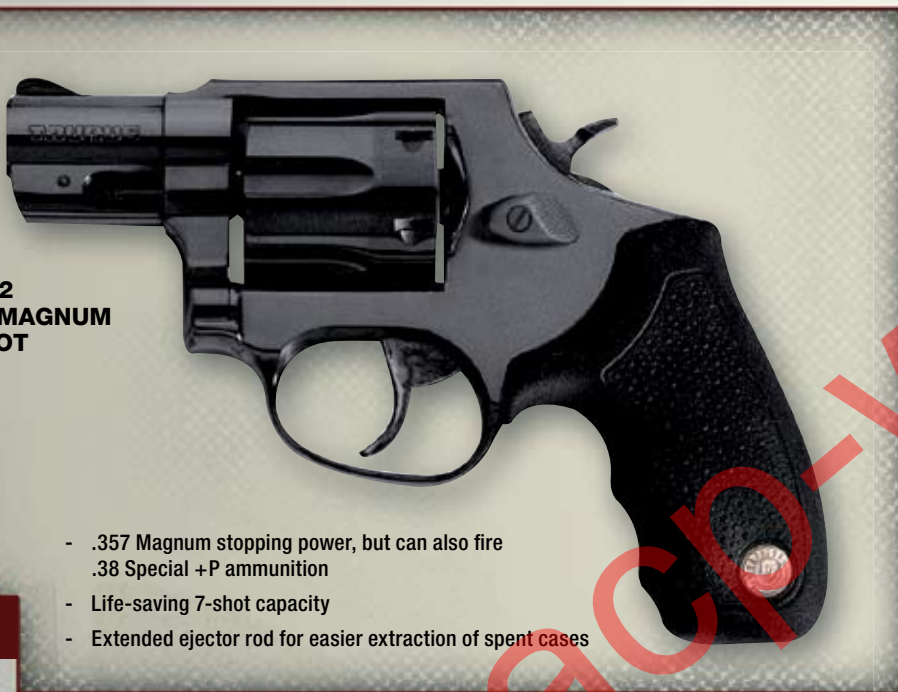

MODELS 617 & 817

An incredible seven shots available at a moment's notice. The 617/817 revolvers provide the advantage of the extra round with Taurus' exclusive 7-shot cylinder. Soft rubber grips and low-profile sights make these revolvers a most desirable carry option for law enforcement professionals or for self-defense. Add in a yoke detent, and solid steel construction and there really is no competition for this hard-hitting combination of customer-requested features.

MODEL 617

617B2 .357 MAGNUM 7-SHOT

- .357 Magnum stopping power, but can also fire .38 Special +P ammunition
- Life-saving 7-shot capacity
- Extended ejector rod for easier extraction of spent cases

SMALL FRAME REVOLVERS

MODEL 85 (2-inch & 3-inch Barrel)

Ultra-fast. Ultra-reliable. Ultra-lightweight. It's no wonder the 85s are our most popular family. We pack them with a combination of customer-requested features and pair them with the .38 Special +P ammo—making them powerful, easy to carry—and lightning-quick to use. To many of our friends in Law Enforcement, these are must-have revolvers.

MODEL 85 2-INCH

MODEL 85 ULTRA-LITE

FEATURES

Long ejector rod

Taurus Security System®

Optional Crimson Trace Laser Grip on all small frame revolvers

SMALL FRAME REVOLVERS

MODEL 605 (2-inch & 3-inch Barrel)

Made for the very serious business of self-preservation—the 605 is built to the Taurus Zero Tolerance standard—in design, fabrication, fit and performance. Meaning there is simply no tolerance for parts that do not perform as if someone's life depends on them. Using the powerful .357 Magnum ammo—this quick-draw revolver has plenty of muscle to back it up. Features include fixed sights, crisp single-double action trigger and a transfer bar for added safety.

MODEL 605

MODEL 605

FEATURES

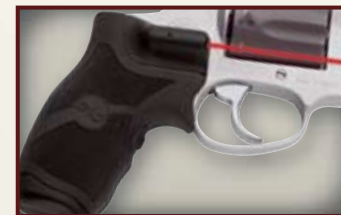

Crisp SA/DA trigger

Taurus Security System®

Optional Crimson Trace Laser Grip

SMALL FRAME REVOLVERS

MODEL 94/941 (2, 4 & 5-inch Barrel)

The ultra-compact 94 and 941 give you your choice of either .22 LR with a nine-round cylinder or the .22 Magnum with an eight round cylinder. We'll repeat that, 8 or 9 shots. This impressive innovation has become a favorite of shooters, writers and editors everywhere, as both the 94 and 941 feature single/double action triggers, adjustable sights and an extended ejector rod for faster reloading. Consider one for your nightstand, tackle box, or for endless plinking in the summer. 2-inch Ultra-Lite® models are also available.

731SS2ULC

.32 Magnum
6-SHOT

For years, law enforcement professionals have asked Taurus to produce a small, lightweight revolver chambered for the popular 9mm. This allows them to cross-carry a pistol and a revolver, but only need to tote one caliber of ammunition. The model 905 answers that call, incorporating features like a yoke detent for added stability and rubber grips for enhanced ergonomics. The model 731 offers .32 Magnum firepower in a small frame, 6-shot compact.

TAURUS CIA REVOLVERS

5-SHOT

Perfect for close quarters, the CIA makes an ideal concealed carry or back-up revolver. Designed for simplicity and ease-of-use with a fully enclosed hammer, you'll enjoy the feel of its lightweight construction when you need to spring into action. Available in either 5 shots of .38 Special or 5 shots of .357 Magnum, the CIA is a must-have personal protection handgun.

TAURUS PROTECTOR REVOLVERS

MODELS 851 & 651

If traveling light is the order of the day, look no further than the Taurus Protector. Featuring a fully shrouded zero-profile hammer that can be manually cocked/decocked in single action operation when needed—and five rounds of .38 Special +P or .357 Magnum ammo, the 851 and 651 revolvers are the perfect choice for concealed carry when every ounce counts.

TAURUS TRACKER®

The Taurus Tracker family includes a full range of calibers and sizes to perfectly suit any hunting adventure. Chambered in everything from .17 HMR to .22 LR to .44 Magnum, these rugged, durable revolvers also make a practical choice for backpacks and tackle boxes, especially where there are bears and other predators around. Extremely comfortable to fire and easy to control—the Tracker Series continues to grow in popularity thanks to its high level of accuracy, rock-solid performance and near-indestructible construction.

COWBOY ACTION

Combining its nearly seventy years of manufacturing experience with an ear to shooters' demands, Taurus Cowboy Action Guns are fast becoming the choice for competitors and recreational shooters across the country. Using new manufacturing methods and quality forged ordnance grade steels, these guns look and feel like the originals, but offer all of the reliability and safety features of modern firearms. Built for a lifetime of fine shooting, Taurus Cowboy Action guns are second to none.

Meet the fastest six-guns from the Pampas. The Taurus Gauchó™ Revolvers may look like heirlooms on the outside, but they're brand-spanking new on the inside, featuring an integral transfer bar and the Taurus Security System along with the original "Four Click" cocking action and traditional fixed sights. An easy-remove cylinder and a half-cock notch make for speedy reloads. Remarkably fast, incredibly accurate and 100% realistic—the Gauchó Revolvers are a must-have for Cowboy Action shooters. Approved for all S.A.S.S. competitions.

"Authentic guns for authentic cowboys"

Taurus Gaucho Revolvers and Thunderbolt Rifles are the most realistic and refined cowboy action guns to ever ride the plains.

An heirloom on the outside, but brand-sparkling new on the inside—the Gaucho features an integral transfer bar safety along with the original "Four Click" cocking action and a smooth, crisp trigger pull. Its companion, the Thunderbolt, is as quick as it sounds—with easy function feed gate, 14 round capacity, Longhorn Adjustable Rear Sight and a super-fast short action pump.

Handcrafted in our state-of-the-art factory to ensure a lifetime of fast, accurate, reliable shooting, these authentic guns are offered in Sundance Blue, case hardened frame and Sundance Blue, Sundance stainless or matte stainless finish.

TAURUS RIMFIRE RIFLES

MODELS 62C & 62LA

The Taurus Model 62 .22 Long Rifle carbine and rifle is faithful in most respects to the legendary design of the classic Model 62 that John Browning invented and American shooters fell in love with over 60 years ago. The Model 62, in pump-action carbine (C) or lever action (LA) looks, feels and shoots like the original, with the addition of modern safety and manufacturing. The Model 62 features a manual safety, button rifled barrels for accuracy and stocks carved of the finest hardwood. The fully adjustable sights allow for accurate shooting.

MODEL 62LA

62LAR-SS
.22LR Lever Action
12-SHOT

Sundance Polished Stainless

- Chambered for .22 Long Rifle
- Sundance Blue and Sundance Polished Stainless Steel
- Now available in Youth and Standard sizes with a 23" barrel or 16" carbine barrel

MODEL 62C

Sundance Polished Stainless

62C-SS

.22LR Pump Action
12-SHOT

FEATURES

Bolt Mounted Manual Safety

Adjustable rear sight

TAURUS RIMFIRE RIFLES

MODEL 72

Expanding on the popularity of the pump action rifle, Taurus introduces the Model 72 chambered for .22 Magnum. The Model 72 holds 10 or 11 rounds in its tubular magazine. This gun looks, feels and shoots like the original, but with the addition of modern safety features and manufacturing methods. The Model 72 features a manual safety, button rifled barrels for accuracy and stocks of fine hardwoods. The fully adjustable sights allow for accurate shooting.

MODEL 72

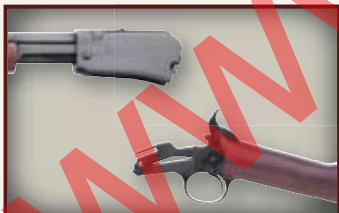

72R-SS
.22 MAGNUM Pump Action
11-SHOT

Sundance Polished Stainless

(Shown with optional Tang Sight)

- Easy one-screw takedown for carry and storage
- Choice of 16-1/2" carbine (10-shot capacity) or 23" rifle (11-shot capacity)
- Available in Sundance Blue and Sundance Polished Stainless Steel

FEATURES

Easy one-screw take-down for carry and storage

Walnut finished hardwood buttstock

TAKE-DOWN

TAURUS RIMFIRE RIFLES

MODEL 63

The Taurus Model 63 is a faithful reproduction of the classic John Browning auto-loader right down to the blue steel butt plate. This customer-favorite .22LR features everything that made this gun so popular in its day and has added in all of the refinements new manufacturing technology and safety features offer. A stock-mounted loading chute and the beautiful, top-quality hardwood stocks complete this shooting package. Built with quality materials and craftsmanship, the Model 63 gives another generation the opportunity to enjoy a finely crafted twenty-two autoloader at a very affordable price.

MODEL 63

Sundance Polished Stainless

63R
.22LR
10-SHOT

- Beautiful hardwood stock
- Available in Sundance Blue or Sundance Polished Stainless Steel
- Takes down easily by means of a thumb screw on the back of the receiver

FEATURES

Adjustable Rear Sight

Steel Butt Plate and Loading Tube

A Manual Safety is easily reached on the trigger guard

RIFLE ACCESSORIES

TANG SIGHTS

Improved long range accuracy is a snap with this adjustable sight. Available for Taurus Long Gun models 62, 63 and 72

SCOPE MOUNT BASE

Add your favorite to your Long Gun. Available for Taurus Long Gun models 62, 63 and 72

RIMFIRE RECHARGER®

Make the day more fun with the Taurus Rimfire Recharger Loading Tubes. Loads ten full rounds into your rifle in just seconds. Available for Taurus Long Gun models 62, 63 and 72 . Ammo not included.

TAURUS

WORLD'S FOREMOST PISTOL MAKER™

Introducing the new Taurus 24/7 OSS™—the most advanced firearm in the history of pistol making. Built to meet and/or exceed all requirements laid down by USSOCOM (United States Special Operations Command) for its new sidearm, the 24/7 OSS offers unprecedented reliability, durability, accuracy and ergonomic functionality. Engineered around Taurus' remarkable new SA/DA trigger system that fires normally in a smooth single action mode, yet, if a primer fails to ignite, provides a life-saving second try at firing the faulty cartridge, this extreme duty pistol includes all combat-necessary features and performance enhancements. Offered in .45 ACP (12+1), .40 (15+1) or 9mm (17+1) variations. The new Taurus 24/7 OSS. Ready for the Middle East, Middle America or the Middle of Nowhere.
